- c) *Enforcement.* An officer, upon receipt of notification of a logged complaint by an individual complainant alleging a violation of this section shall investigate and may issue a citation to any animal owner or custodian whom the officer has probable cause to believe is in violation of this section. The requirement for probable cause shall be satisfied if the violation occurs in the presence of the officer, or if the available evidence at the scene is sufficient for a reasonable person to believe a violation has occurred, or if the owners or occupants of two or more different lots or residences nearby execute verified written statements substantiating a violation.

**Sec. 5-33. - Dangerous dogs.**

- a) Animal Control Officers shall investigate reported incidents involving any dog that may be dangerous pursuant to Part II, Chapter 767, Florida Statutes. If an Animal Control Officer finds sufficient cause to classify a dog as dangerous, the owner has an opportunity to appeal the decision in a dangerous dog hearing prior to a final determination being made regarding the classification or penalty. The purpose of the dangerous dog hearing is to provide an appeal procedure for the owner of a dog that has been deemed dangerous in accordance with Part II, Chapter 767, Florida Statutes. Any hearing required pursuant to Chapter 767 shall be held before the County Administrator or other designee of the Board.
- b) Dangerous Dog Hearing Procedure. The following procedure shall apply to dangerous dog hearings held:
  - 1) The owner must file a written request (email is acceptable) for a hearing regarding the dangerous dog classification, penalty, or both, within seven (7) calendar days after receipt of the notification of sufficient cause finding and proposed penalty with Walton County Animal Services.
  - 2) This hearing shall be held no sooner than five (5) days and no longer than twenty-one (21) days after Walton County Animal Services receives the request from the owner. Walton County Animal Services shall contact the county attorney to set a date upon receipt of the owner's written request.
  - 3) A Special Magistrate will be appointed by the Board. A date and time shall be set. Notice shall be given to the dog owner. Walton County Animal Services will ensure a room is secured that has the ability to record the hearing. Walton County Animal Services will provide the Special Magistrate with a Conclusions of Facts form.
  - 4) The Special Magistrate shall bring the hearing to order. The Animal Control Officer will then present its case, including, but not limited to, witnesses; photographs of the dog(s) and/or victim(s); sworn affidavits; previously issued citations to the dog(s) subject to the dangerous dog hearing; and other types of information that will be used to support the

Animal Control Officer's claim. Once the Animal Control Officer has presented its case, the dog owner will present his/her case, including, but not limited to, witnesses; photographs of the dog(s) and/or victim(s); sworn affidavits; previously issued citations to the dog(s) subject to the dangerous dog hearing; and other types of information that will be used to support the dog owner's claims.

- 5) The Animal Control Officer must prove its case by clear and convincing evidence.
- 6) The Special Magistrate shall render a decision at the same meeting. If ruled in the favor of the Animal Control Officer, the dog owner will be responsible for a \$500 administrative fee. The dog owner shall be notified of any fees prior to the hearing.
- 7) Upon a dangerous dog classification and penalty becoming final after a hearing or by operation of law, Walton County Animal Services shall provide a written final order to the owner by registered mail, certified mail, or service in accordance with Chapter 48, F.S.
- 8) The owner may appeal the determination, penalty, or both, to the First Judicial Circuit Court in accordance with the Florida Appellate Procedure and F.S 767.12 (4) after receipt of the final order. The owner must file a timely appeal in order to preserve his/her rights.
- 9) The Animal Control Officer will place into evidence the digital and audio recording of the hearing for appeal purposes.

**Sec. 5-34. - Reserved.**

**Sec. 5-35. - Identification.**

All animals must wear a collar or have a tattoo or implanted microchip which identifies the owner of said animal, the owner's address, and phone number. To ensure proper notice, all tattoos shall be registered with Walton County Animal Services. An officer may pick up any animal that is not properly identified and place said animal in the animal control shelter. It is a violation of this article for an owner to allow the owner's animal to be off the owner's property without being so properly identified.

**Sec. 5-36. - Rabies vaccinations.**

All dogs, cats, and ferrets four (4) months of age or older must be vaccinated by a licensed veterinarian against rabies with a vaccine that is licensed by the United States Department of Agriculture for use in those species. The owner of every dog, cat, and ferret shall have the animal revaccinated 12 months after the initial vaccination. Thereafter, the interval between vaccinations shall conform to the vaccine manufacturer's directions. The cost

of vaccination must be borne by the animal's owner. Every dog, cat, or ferret so vaccinated is required to wear a valid inoculation tag at all times, or the owner must furnish proof of vaccination. Failure to annually vaccinate a dog, cat, or ferret as per F.S. § 828.30 shall constitute a violation of this article.

**Sec. 5-37. - Rabies quarantine.**

Any animal suspected of having rabies, or having bitten any person or other animal, may be captured and the procedure detailed in the Florida Statutes and Florida Administrative Code shall be followed.

**Sec. 5-38. - Authority to impound.**

- a) Any animal whose owner cannot be located, or will not answer the door, and which animal is suspected of being sick or injured or has inflicted injury or threatened to inflict injury to any person or animal may be picked up, trapped, or captured by remote chemical immobilization, if the officer determines that the seizure is necessary for public health or safety, or to prevent animal suffering.
- b) Any animal impounded under this article not suffering from or suspected of having an infectious disease, shall be held for three (3) days excluding day of impoundment, unless sooner redeemed by the owner. This time frame may be extended by Walton County Animal Services as necessary. Those animals suffering from or suspected of having an infectious disease shall be evaluated for further action.
- c) Any animal(s) being impounded for safekeeping can be held for 7 days after owner or next of kin has been notified. After 7 days animals will become property of Animal Services. Length of stay after 7 days can be adjusted by Animal Services supervisors.
- d) Fees. The owner of an animal, impounded or taken into custody under this article, shall pay to Walton County a kennel fee for each such animal. Impoundment fees are independent of and additional to any civil penalties that may be imposed under this article. The fees shall be paid before an animal may be redeemed by or released to the owner. Or if the animal is destroyed, the owner shall pay the fee within 30 days of written notice from Walton County Animal Services that the animal has been destroyed.

**Sec. 5-39. - Holding periods at Animal Control Shelter.**

- a) The following holding periods are hereby established for animals picked up by or turned in to the Animal Control Shelter:

- 1) Healthy dogs or cats shall be held for a minimum of three (3) calendar days (not including the day of impoundment) from the date of posting the notice of impoundment.
  - 2) Diseased or injured animals shall be handled in accordance with F.S. § 828.05.
  - 3) The Animal Control Shelter may at its sole discretion extend the holding period beyond this time on a space available basis.
  - 4) Unless prohibited by state law, the Animal Control Shelter may, at its discretion, provide veterinary treatment to animals under its care.
- b) Promptly upon the impoundment of any animal, the Animal Control Officer shall give written notice to the owner of said animal, if the owner's name and address is known, and shall post a notice that said animal has been impounded. The animal shall be posted at the Walton County Animal Services Website.
- c) Any impounded animal which is not reclaimed by its owner prior to expiration of the holding period shall be disposed of in the following manner:
- 1) Said animal may be destroyed as provided in F.S. § 828.
  - 2) Said animal, at the discretion of the Animal Services, may be adopted by an adult eighteen (18) years of age or older, who desires to give said animal a home, and who pays for the sterilization, proper vaccination, and fees for such adoption. No animals will be released for adoption without proof of sterilization. All impounded animals, if not already microchipped, will be microchipped at owners' expense prior to release.

**Sec. 5-40. - Detaining animals roaming on property, humane treatment.**

- a) A property owner or tenant who seizes an animal at large on his property shall notify an animal control officer as soon as practicable.
- b) Any person who captures an animal shall exercise care to treat the animal humanely and to avoid any cruelty, injury, sickness, hunger or other ailment or affliction in both seizure and delivery of the animal. Any person unable to comply fully with this section shall not seize the animal. Animal Services will not issue traps for individual use between June 1 and September 30, due to heat stress and animal safety issues. This does not prohibit animal control from using them during that period.
- c) Any person who hoards or allows packs or colonies, defined as two or more animals not under direct control, to develop may be held financially responsible for the damages caused by the animals and may be required at their expense to hire a contractor to remove the problem animals as ordered by Animal Services.

**Sec. 5-41. - Power to set fees.**

The Board, by resolution, may set the fees to be charged to the owner or custodian of an animal by Walton County Animal Control for county impoundment, boarding, adoption, sterilization, rabies vaccination, euthanasia, and disposal. All fees for boarding charged by Animal Services shall be in addition to the fines and penalties described in this appendix.
