

The City of Daytona Beach  
**AGENDA SUMMARY**  
July 3, 2024 - City Commission

**TITLE:** City Manager's Office - Setting of Tentative FY 2024/25 Millage Rate -  
PLACEHOLDER

**DEPARTMENT:** Finance Department

**STAFF CONTACT:** Fredrik Coulter, Budget Director

**ACTION:** Resolution - Public Hearing

**REQUEST:**

**Resolution** advising the Property Appraiser for advertising purposes, the FY 2024/25 proposed tentative (not to exceed) operating millage rate, rolled-back rate, and voted debt service rate. The requested proposed tentative millage rates for each \$1,000 of assessed valuations are:

Rolled Back: X.XXXX  
Proposed General Fund Operating: 5.4300  
Voted Debt Service: X.XXXX

The first public hearing is scheduled for September 4, 2024, on which the proposed tentative millage rate and proposed FY 2024/25 Budget will be acted upon.

**CONSIDERATION/BACKGROUND:**

**Purpose:**

This agenda item is required to comply with the TRIM requirements for the City Commission to advertise the proposed millage rates and to establish the first public hearing's date, time, and place for adoption of the tentative millage rate and proposed FY 2024/25 budget.

**Consideration:**

The City each year advertises proposed tentative millage rates consisting of the rolled back property tax rate, the general fund operating property tax rate, and the voted debt service property tax rate. The City is also required to set and advertise the first public hearing date, time, and place for adoption of the tentative millage rate and the proposed FY 2024/25 Budget. This advertising is performed by the Volusia County Property Appraiser in accordance with Florida Statutes.

The advertising of the proposed tentative millage rates achieves the following objectives:

- Compliance with Florida Statutes.
- Informs the public of the City's proposed tentative millage rates and the associated tax impact relative to each proposed tentative millage rate.

- Affords the City Commission sufficient time to discuss and reach consensus on a final tentative millage rate after taking into consideration future operating needs and capital funding requests. By advertising a higher general fund operating millage rate, the City Commission can agree to a final tentative millage rate without the added expenses of re-advertising a new tentative millage rate before the first hearing.

The requested proposed tentative millage rates for each \$1,000 of assessed valuation are:

	Proposed	Current
Rolled-back	X.XXXX	N/A
General Fund Operating	5.4300	5.4300
Voted Debt Service	X.XXXX	0.1749

The requested first public hearing date, time, and place for adoption of the tentative millage rate and proposed FY 2024/25 Budget are:

September 4, 2024, at 6:00 p.m. Eastern Daylight Savings Time  
 City Hall  
 Commission Chambers  
 301 South Ridgewood Avenue  
 Daytona Beach, FL 32114

**RECOMMENDATION:**

The City Manager recommends the City Commission approve the Resolution to advertise proposed tentative millage rate and first public hearing date, time, and place.
