WHEREAS, the language in Chapter 68, Section 68-484 has been codified in the City of Treasure Island Ordinances since 1961; and

WHEREAS, Section 68-484 states that incidental services used in connection with either motels or hotels, including cigar and candy stands, restaurants and lounges, personal service shops and similar uses, may be permitted by special exception of the planning and zoning board provided at least 50 hotel/motel units shall be contained within the building; and

WHEREAS, the City has evaluated the requirement for 50 hotel/motel rooms for certain accessory uses and determined that the 50-room requirement is associated with Section 561.20, Florida Statutes “Limitation of number of licenses issued” which dates back to at least 1949 and limited the number of liquor licenses per city or town based on the number of residents; and

WHEREAS, between 1959 and 1960 Section 561.20(2), Florida Statutes was amended and increased the room requirement for the issuance of a special license to a hotel or motel; and

WHEREAS, Section 561.20(2), Florida Statutes currently states that the limitation on the number of licenses does not prohibit the issuance of a special license to a hotel or motel with greater than 100 rooms in a county with a population of 50,000 residents or more; and

WHEREAS, Section 561.20 governs the number and type of licenses issued; and

WHEREAS, the Florida Department of Business and Professional Regulation, Division of Alcoholic Beverages, and Tobacco (DABT), is the agency charged with issuing alcohol

WHEREAS, also Chapter 79-554, Laws of Florida, provided a limitation on alcohol licenses to hotels in Pinellas County; and

WHEREAS, through research and consultation with the Pinellas County Attorney's office, it was determined that Chapter 79-554, Laws of Florida, is no longer in effect; and

WHEREAS, the City has determined that the 50-room requirement is outdated and that liquor licenses for hotels/motels are regulated by other governmental agencies; and

WHEREAS, the City has also determined that the requirement limits accessory uses in hotels of less than 50 rooms that may otherwise be permitted by special exception; and

WHEREAS, the City has determined it to be in the public interest to identify alcoholic beverage establishments as a special exception, incidental use which is limited to 10% of the total floor area of the principal building; and

WHEREAS the City desires to correct the codification in Section 68-302; and

WHEREAS, the Local Planning Agency met on May 30, 2024, and recommended approval of the following revisions to the Land Development Regulations; and

WHEREAS, the City Commission has reviewed the relevant current Code provisions of the City of Treasure Island and finds that certain modifications are necessary and desirable; and
