First Public Hearing - Proposed Millage Rate and Budget for fiscal year 2024-25 6.4000 mills proposed.

# **STAFF REPORT**

DATE: September 12, 2024

TO: City of Palatka City Commission

FROM: City Staff

## **APPLICATION REQUEST**

Attached is presented the City of Palatka's Fiscal Year 2024-2025 Tentative Budget. The attached budget is based upon all the input and changes that have been discussed at the five budget workshops held from June to August 2024, individually and in groups, with Department Heads and Commissioners. The staff have worked diligently to build an operating budget which moves the City forward, while protecting the financial interests of the City. The proposed budget does not include an increase in water and sewer base rates or in the solid waste collection rates. Also, included is the truth in the millage statement that is required to be read before the adoption of the millage levy resolution, as well as the forms DR-420, DR 420 TIF, amid DR-420 MMP, where the millage rate is tentatively set at 6.4000, which means that the final millage cannot exceed that rate. On July 11, 2024, with resolution number 2024-R-145, the Commissioners approved and adopted the tentative millage rate of 6.4000 mills.

## **BACKGROUND**

Chapter 200 of Florida Statues sets a timetable for calculating and notifying the public of the process of setting ad valorem millage rates and adopting a budget. The statue identifies timeframes and briefly describes the tasks to be completed. The rolled-back rate of 6.1271 is not a tax increase, since the percentage of the difference between the current proposed rate and the current year's aggregate rolled-back rate would be zero. To keep the current rate of 6.4000 as the City's millage rate would be considered a tax increase, since the percentage of change, when compared to the rolled-back rate is 4.45%.

We have received the certification of tax value from the County Appraiser. For fiscal year 2024, the preliminary gross taxable value is \$712,953,025, which is a 6% or \$41,126,445 increase from the 2023 value of \$671,826,680. The proposed millage rate of 6.4000 would generate \$4,562,899.

The proposed budget for the fiscal year of 2024-2025 is balanced and reflects a total of \$75,985,566 in both revenues and expenses. The 2023-2024 originally approved budget was \$71,255,483 or an increased of 6.2%, in the amount of \$4,730,083. The 2024-2025 proposed budget includes operating costs of \$28,779,201 (37.8%), personnel costs of \$16,198,333 (21.3%), capital expenses of \$11,889,693 (15.6%) and grant expenses of \$19,138,340 (25.2%).

Highlights for the fiscal year 2024-2025 budget include the following:

- \$350,000 City Hall and Annex renovations
- \$75,000 Planning Comprehensive study
- \$2.4 million road paving renovations
- \$375,000 splash pad initiative
- 30 dog stations
- Dog park renovations
- 11 proposed new positions
- CRA Manager position budgeted
- Staff increased based upon the salary survey study
- Inter-fund transfers totaling \$2,429,800
- \$1,260,681 impact fees expected
- Public Works improvements of \$440,000
- Reclamation Facility repairs and improvements of \$1,159,000
- Fire Department capital improvements of \$370,000
- Police Department capital improvements of \$110,000
- Loan proceeds of \$1,000,000 and the related debt servicing of \$133,000
- Various projects, mostly grant-funded, such as Price Martin Retrofit Shelter, MIT grants, Sidewalks (COVID funded), Kay Larkin, and FPL Reid Street Median 1, Airport taxilanes and taxiway, tree removal, to name a few.

The Tentative Proposed Budget is designed to inspire an action-oriented culture, encouraging the City to be proactive, rather than reactive, directed by the initiatives of the Commissioners and the expertise and skill of management.

## CITY OF PALATKA COMMISSION PUBLIC HEARING SCRIPT

## SEPTEMBER 12, FIRST PUBLIC HEARING 6:00PM FISCAL YEAR 2024-2025 MILLAGES AND BUDGET

# I. Introduction to Public Hearing for City of Palatka Fiscal Year 2024-25 Tentative Millage and Budget

### **MAYOR:**

The City of Palatka Commission convenes the Public Hearing on the City of Palatka Fiscal Year 2024-25 Proposed Millage Rates and Tentative Budget as required by Florida Statutes, Chapters 129 and 200 and as advertised in the Truth-in-Millage (TRIM) Notices.

If anyone in our audience is here for the purpose of contesting their assessment, a petition for adjustment with the Putnam County Value Adjustment Board should have been filed on or before 5:00 P.M. September 10, 2024, as was stated in the TRIM notices sent via first class mail by the County's Property Appraiser to every taxpayer on the property value assessment roll.

For those in attendance this evening wishing to address the Commission, citizen comments will be taken following the overview of the tentative budget by the Finance Director.

The Finance Director, Marcia Carty, will now present an explanation of the proposed and rolled back millage rates.

## II. Fiscal Year 2024-25 Proposed Millage Rates and Tentative City Budget

# A. Explanation of the City's Proposed and Rolled Back Millage Rates FINANCE DIRECTOR:

Mayor and Commissioners, This evening we will take a few actions related to the adoption of the proposed millage rate and budget for the Fiscal Year ending September 30, 2025.

Tonight's hearing is the first of two public hearings required to be held per Florida Statutes, prior to the adoption of final millage rate and budget by a taxing authorityAs such, this is <u>not</u> the final budget hearing, and final adoption of the millage rates and budgets will <u>not</u> be considered tonight. At the conclusion of this hearing a specific date, time, and place of the second public hearing for adoption of the final millage rate and budget will be established.

Florida Statutes require the name of the taxing authority, the millage rate to be levied, the rolled-back rate and the percentage change over rolled-back rate be publicly announced. In addition, one of the requirements of the Truth-in-Millage Legislation is to provide information about why proposed millage rates differ from the rolled back millage rates.

Rolled back millage rate is defined as "the millage rate, which, exclusive of new construction, additions to structure, deletions, and property added due to geographic boundary changes will provide the same ad valorem tax revenue for each taxing authority as was levied during the prior year."

The TRIM process requires that a notice of "tax increase" be advertised when the current year proposed aggregate millage rate exceeds the calculated aggregate rolled back millage rate. The aggregate rolled back millage rate is calculated by dividing the <u>prior year</u> adjusted property tax revenue by the <u>current year</u> taxable property value, multiplied by 1,000. The current year taxable value does not include new construction and tax increment (CRA) values.

For the Fiscal Year 2025 Budget, the <u>aggregate</u> proposed operating millage for the City of Palatka is 6.4000 mills, which is 4.45 % greater than the rolled back rate of 6.1271 mills.

The increase in property tax revenue is essential to fund the appropriations needed to operate the General City-wide budget. This is inclusive of personnel costs, operating costs, capital expenses, as well as grant matches.
