<https://www.cityoffortpierce.com/DocumentCenter/View/6740/Quasi-Judicial-Procedures>. All

Quasi-Judicial decisions by the City Commission must be based on competency substantial evidence. Competent substantial evidence is evidence which will establish a substantial basis from which the fact at issue can reasonably be inferred. It includes fact or opinion evidence offered by an expert on a matter that requires specialized knowledge and that is relevant to the issues to be decided. It is evidence a reasonable mind could accept as having probative weight and adequate to support a legal conclusion. Hypothetical, speculative, fear or emotion based generalized statements that do not address the relevant issues and that cannot be reasonably said to support the action advocated, are not competent substantial evidence.
